

**ADDITIONAL CONTRACT FOR STUDENTS REGISTERING TO THE GRADUATE
SCHOOL OF CIVIL AVIATION**

I would like to register to the Graduate School of Civil Aviation Department ofto which I have been accepted as per the resolution by the Committee of your university on 15.06.2020. Currently, I am unable to deliver my documents and register personally at your campus due to the Corona pandemic. I hereby declare that the documents that I have sent for evaluation procedures for my application are genuine, that I shall present the original copies of these documents during my registration, that I have read the additional information required for registration procedures as presented below, that I have no criminal record, in addition to the fact that I shall deliver the Board of Health Report from Turkish authorities showing that I have no health issues as per program registration requirements within a month of my arrival to Turkey, that my registration shall be annulled upon my failure to deliver my Health Report, also declaring that the information that I have provided on this contract is correct, that I have not shared false information or documentation, that I am aware of the condition that my registration shall be deleted upon my failure to meet these conditions and that I shall demand no rights if my registration is deleted on the basis of this situation.
